

The Aldergrove (6-3-358)

TRADITIONAL

Multiple gables give the exterior of this 2-storey, 3-bedroom family home an air of rural charm. The open-concept great room, featuring a double-height ceiling, flows into the dining area and kitchen.

TRADITIONAL: This home package includes design, construction plans, and all the materials required to build the structure of this home to the lock-up stage. Materials include export-grade framing lumber, an engineered wood truss system, low-maintenance siding and energy-efficient windows. This design features the use of conventional construction methods. It can be modified to suit individual site conditions.
