

# The *Hampshire* (7-3-964)

TRADITIONAL

This wonderful, stately family home has enough curb appeal to be a key asset to any neighborhood. The interior layout is equally appealing. The large garage offers added workshop or storage space.

**TRADITIONAL:** This home package includes design, construction plans, and all the materials required to build the structure of this home to the lock-up stage. Materials include export-grade framing lumber, an engineered wood truss system, low-maintenance siding and energy-efficient windows. This design features the use of conventional construction methods. It can be modified to suit individual site conditions.
